

## Dec 9, 2025 MNTIC Board Meeting

1. Called to order at 4:40
2. Present: Ethalow, Jenny, Marj, Sally. There being no quorum, reports were shared, but no actions were taken.
3. Financial Update
4. New Business
  - a. Approval of Sally's invoice for administrative work: Marj, Ethalow and Jenny approved, but this will be put to other board members via email to achieve approval with quorum.
  - b. Beauty School request for reduced cost for students when they have to take a state exam (they had been quoted the business rate but replied that the students would pay out of pocket). Proposal is the USCIS rate of \$120/hour with interpreter earning \$96. This can be divided among multiple students. For that, we can use equipment. Payable 48 hours in advance. Minimum time would be the time allowed for the exam
5. Proposal to have the USCIS fee increased to \$375 from \$360 to cover the credit card fee because it is so frequent that people want to pay by credit card. Then pay \$300 to the interpreter, which includes an increase to cover parking, and \$75 to the coop, which includes an increase to cover credit card fees.
